EDUCATION

INDIAN HIGH SCHOOL

2019 - 2022

OVERVIEW

An aspiring computer science student, I am interested in software and training ML models, and wish to specialize in AI, and also gravitate towards Data Science. Always open to constructive criticism, I work well in teams, and bring a strong work ethic and intellectual curiosity to the table

MY ENDEAVORS

JUNIOR CIRCUIT SQUASH PLAYER

Dubai, United Arab Emirates

- Playing since I was 6 years old, I have competed in the Dutch, American and German Juniors having represented both India and the UAE, and also managed to make my debut in the Pro circuit at a PSA tournament in Dubai

CHARITY TREK OF THE EMIRATES

Gulf for Good

2021

- I participated in a 7 day trek throughout the emirates to raise money towards building schools in Latin America,

FRONT END PROJECTS

Freelance

- I opted for the CS elective in school, and have completed 2 small projects with my friends during my free time, a DBMS project in python, with a simple display and input operations. I am also close to a complete rendition of my personal website, implemented in HTML and CSS
